

```
var a = 4;  
var b = 'character';  
var c = "this is equal to a bunch of text";  
var mycar = "Ford";  
var mycolor = "red";
```

```
var d = true; // true or false
```

```
if(!d){  
    console.log('d is false');  
}else{  
    console.log('d is true');  
}
```

```
console.log(mycar+' '+mycolor);  
console.log(c + c + c);
```
