

```
$(document).ready(function() {  
    $('p').click(function() {  
        console.log($(this).hasClass('yellow'));  
        if($(this).hasClass('yellow')){  
            console.log('do something its yellow');  
        }else{  
            console.log('do something its blank');  
        }  
        $(this).toggleClass('yellow');  
    });  
});
```
